BEGINNERS PRE-TRAINING COURSE

We are running a 6 week course for beginners (dog and handler), aimed at those who have not trained a gundog before and need help with the basic training of their retriever. These basics are essential before any dummies start getting thrown!

It is pre-training for those who are aiming to take part in our main spring/summer training starting in April – trainers in those classes will be expecting dogs to have already covered this fundamental groundwork.

The course will include recall, heel work, sit and stay, steadiness and maintaining concentration in a group, gundog training and handling terminology. The trainer will be David Coode and take place at David's own grounds near Fownhope, Hereford, on Sunday mornings. One dog per handler only. Classes will be limited to small groups and places are therefore limited. Members of Wye Valley Retriever Club only. Please apply early.

Attendees will be expected to come with their dog on a slip lead and to bring a whistle (with lanyard), game bag and poo bags. Please ask if you are not sure about any of these items.

Start date 26th February 2012. Cost for the course is £30.

BOOKING FORM

I wish to apply for a place on the WVRC Beginners Pre-Training Course. I enclose the fee of £30. I understand that final details with full venue directions and class start time will be provided with confirmation of my place on the course.

Name: _____

Address: _____
