

WVRC Working Tests held at Dunclent Farm, Stone, Kidderminster, 6th June 2026

For AV Retrievers – Open, Puppy & Special Puppy

We held our second working tests of the season at Dunclent Farm, by the kind invitation of Michael and Jane Gough. It was a lovely day and we even largely dodged the rain that was forecast. Good use was made of the beautiful ground at Dunclent. Michael had spent a huge amount of time clearing new areas for us and we are especially thankful to him.

Thank you to our judges Nigel Probert, Sid Davies, Julian Morgan and Steve Prosser. They coped with a large entry both morning and afternoon and set interesting tests.

Thank you to our stewards who kept the competitors well organized; to our dummy throwers (I know it's not the most exciting of jobs!) and to Jean and Penny for the yummy cakes.

Thank you very much too to our sponsors Skinners, who provided cards and vouchers for our award winners, and to Field and Fang who provided vouchers for the top three in each class. Their support is very appreciated.

And thank you to all the competitors who turned up to support the club, despite the weather forecast, and were cheery and enthusiastic all day.

Results:
